

Helping to make
good food more
affordable for
more people in
our community in
2023

We're proud
to have **4,252**
distributed
bundles and bags of fresh, healthy,
local, and delicious foods through our
Community Shares Program in 2023.
That's an average of
more than 80 every week!

WE MADE VIDEOS TOO!

As part of the "Protein Bundles for Healthy Eating" program we recorded four cooking demonstrations, airing on AOTV and on Quabbin Harvest's YouTube channel. Search for "Kitchen Connections" to watch them all.

2,029 HIP vegetable shares
1,219 HIP fruit shares
600 Summer senior farmshares
344 Protein Bundles
60 Stocking Up shares

Thanks to our 2023 partners for funding, organizational support, and community connections:

And a very special thanks to all of our volunteers!

Photos were taken at a summer 2023 gathering at The Farm School in Athol with participants, partners, and volunteers from the Summer Senior Farmshare Program. The Farm School grows all of the produce for this annual 10-week program.
